This is a unique volume because it was set to examine the calendar date 8/16 of 2014 for the singer Madonna. It was set with religious themes. This is also a unique volume that looks at why the Psychic Field is useful in Criminal proceedings and where Psychic Forensics can be used to extract number tags. In this case, it's regarding the incident on 8/9 of 2014 regarding a shooting Ferguson, Missouri where you can align the calendar dates with "Hunger Games" and an arrangement of numbers indicating that the incident was doctored. When seeing that there's more going on behind the scenes, neither parties should be quick to judge on what exactly happened when you uncover there's another Force that is tinkering with the event. This is also a great volume because it cites a Prophecy regarding the 1988 song "White Wedding" by Billy Idol regarding the tags and symbols that have been consistently used over the last 10 volumes. As usual, I recommend people only read the Elemental Chapters and skip the republished ones to keep up with the Associated Press Feed. Volume 51 is a continuation of Volume 50. It covers news for 8/14 of 2014 to 8/16 of 2014. It does a Psychic Examination of the incident in Ferguson, Missouri using Psychic Forensic Analysis of the data. It also covers the theme of Madonna and the news articles pertaining to God that surfaced. There's also references to Harry Potter and the movie "Crazy, Stupid, Love." Preface cites the Psychic Manifestation of Bremerton, Washington that has been cited repeatedly. Antimony 1 is regarding Madonna's birthday and the song "Music" by Madonna. Antimony 2 is regarding the Noah's Ark Prophecy. Antimony 3 is about God seen in the clouds over Cape Canaveral and claim that the Ebola Virus was a "Curse from God." Antimony 4 is about Justin Timberlake taking the Ice Bucket Challenge. Chapter 5 is about the 1988 Prophecy regarding "White Wedding." Chapter 6 is about "Person of Interest" and the "Eye in they Sky" by the Alan Parsons Project. Chapter 7 is about Missouri Governor Jay Nixon vs. the "Mocking Jay" by "Hunger Games" author Suzanne Collins. Chapter 8 is about application of Superman X-Ray Vision to the Ferguson, Missouri incident. Chapter 9 is about the song "What a Fool Believes" by Michael McDonald from Ferguson, Missouri vs. the 2011 movie "Crazy, Stupid, Love." Chapter 10 is about the 2011 Earthquake on 8/23 of 2011 linked to the paralysis of Christopher Reeve. Chapter 11 is about the Ant Colony Analogy in understanding God. Chapter 12 is about the bipolar disorder Carrie Fisher discussed regarding Robin Williams. Chapter 13 is about Lily and Petunia as sisters in "Harry Potter" and Horcruxes. Chapter 14 is regarding Psychic Manifestations in the news that didn't get their own chapters. Chapter 15 is about the possibility of using Twitter as a Psychic News Feed to show people news coming in fast with Psychic Readings making it harder for critics to debunk the material if it's being spit out every 8 to 12 hours. Twitter can keep up with the news feed better than an eBook publication.

Thanks for reading ebook of Big Ban Theory: Elementary Essence Applied to Antimony and How a White Wedding at the Hunger Games Had a Mocking Jay Nixon and Silent Bob Strike Back at Magical ME 23rd, Volume 51 on nessaskybooks.
