The Carolina Cold Fury hockey team is stacked with hotshots. But when a new player joins their ranks, he learns that even superstars can't go it alone when it comes to love.

Lucas Fournier is only serious about one thing: hockey. The league's fun-loving charmer, Luc is always up for a good prank or a great lay, and he has no intention of settling down. But being traded to the Carolina Cold Fury—and to play alongside his big brother, Max—is no joke. With another title in sight, the last thing Luc wants is to let his new teammates down. To succeed, Luc will need to keep his head in the game and the most . . . er, demanding member of his anatomy in check. But when temptation hits, Luc hits back harder.

Museum curator Stephanie Frazier has always put business before pleasure, which just about explains her nonexistent sex life. But when Stephanie meets Luc at a champagne-fueled gala, she finds herself flirting like crazy—and going home with the uninhibited athlete. For one night, she learns what passion is all about. She just never counted on the little surprise Luc leaves behind. And that's when things really start to get . . . interesting.

Sawyer Bennett's New York Times bestselling Carolina Cold Fury series can be read together or separately.
